COMMUNITY LIFE

ASSOCIATE OF THE MONTH:
DAMIAN SIEGLER

Damian Siegler has been cooking for Waltonwood Carriage Park for over 2 years. Since February of 2026, Damian has grown fabulously in his role here at Waltonwood and is always willing to go above and beyond what is required of him to do. While at work, Damian keeps everyone's spirits high with his positive attitude and contagious sense of humor. But while away from work, Damian enjoys long walks on the beach with his doggy companion Sparky and loves attending or watching sports.

FOREVER FIT/WELLNESS: **Strong Body & Sound Mind**

Age-related cognitive decline is a serious concern for many seniors. In addition to keeping a strong body, maintaining a sharp mind can greatly improve independence and over all well-being. According the Mayo clinic, researchers have found that a third of dementia diagnosis are directly linked to modifiable risk factors. Adopting healthy habits early in life can help to lay the foundation for our cognitive wellness as we age. Regular exercise, healthy sleep habits, effective stress management techniques and healthy social relationships can all help minimize the risk for future cognitive struggles. Wellness has many dimensions, and maintaining a strong mind can help ensure that always up for the task.

EXECUTIVE DIRECTOR CORNER: Tabitha

As the leaves change and the holiday season approaches, November is a wonderful time to reflect on the people and moments we are most grateful for. I feel so fortunate to be part of this community and am truly thankful for each of you!

We are excited to celebrate the season together at our Thanksgiving Buffet on Wednesday, November 18th! Please keep an eye out for the official flyer. We hope you'll join us. Please RSVP with the community by Friday, November 13th. We look forward to seeing you there!

As a reminder, please continue to practice fire safety in your apartments. Keep stovetops clear and never store items in, on top of, or around the stove. Keeping these areas free of clutter helps reduce fire hazards and keeps our community safe. Thank you for helping us maintain a safe living environment for everyone.

As we move into the colder months, please remember to wash your hands regularly and practice good hygiene to help keep our community healthy. If you are not feeling well, we kindly ask that you refrain from communal dining and activities until you are feeling better. Thank you for helping us care for one another.

Above all, please know how grateful I am to have each of you as part of our community. It is the people who make this place so special, and I wish you and your loved ones a beautiful November filled with warmth, joy, and many reasons to be thankful!
