ADVENTURE BY WALTONWOOD

We are excited to continue promoting our company-sponsored program called Adventure by Waltonwood. At Waltonwood, we pride ourselves in providing residents with exceptional life experiences. The purpose of this program is to encourage Waltonwood residents to pursue their life's desires and ambitions. Adventures can be as big or small as you would like – the possibilities are endless! From revisiting meaningful places to trying something completely new, each experience is thoughtfully planned to create joy, connection, and lasting memories. Our goal is to celebrate each resident's unique story while helping them continue to grow, explore, and feel inspired every day.

Residents can nominate themselves for an Adventure, or may be nominated by family members, staff or other residents. All Adventure requests must be submitted to Christina or Danielle in Life Enrichment. Please reach out to a Life Enrichment team member if you have any questions.

We are so excited to kick off this program and help make our residents' dreams come true!

FRIENDS & FAMILY REFERRAL PROGRAM!

ASSISTED LIVING

FALLING INTO AUTUMN

Welcome to September! As we begin the transition into fall, we look forward to another month of engaging programs, meaningful connections, and opportunities to make lasting memories together. We encourage all residents and families to join us for the many activities and special events planned throughout the month.

This month, we are proud to partner with a local nonprofit to collect hygiene supplies and assemble hygiene kits for those experiencing homelessness. We invite residents, families, and team members to join us in supporting this meaningful community initiative.

The MAT team will be visiting on Monday, September 28th to assist residents with absentee voting and voter registration, helping ensure everyone has the opportunity to participate in the upcoming election. Please save your absentee ballots you receive in the mail to be filled out with the MAT Team, do not fill out beforehand.

We're also excited for a month filled with entertainment and seasonal celebrations. Join us on Wednesday, September 16th for Walton Woodstock featuring music, dancing, and favorite hits from the 1950s through the 1970s. We'll close out the month on Wednesday, September 30th, with a live music performance followed by hot mulled cider on the Memory Care terrace as we welcome the arrival of fall.

We look forward to another wonderful month together. Thank you for being such an important part of our Waltonwood family!

ASSOCIATE SPOTLIGHT:

MARIA MUÑOZ

Meet Maria, our Associate of the Month! Maria joined Waltonwood in December 2025 as a pastry chef and was recently promoted to Culinary Supervisor, an exciting next step in her journey at Waltonwood. She loves cooking and says her favorite part of Waltonwood is its strong sense of community. Maria enjoys getting creative for special events, from tea parties and family nights to our Camp Waltonwood Carnival. Originally from Puerto Rico, Maria lived in Florida before moving to Raleigh about a year ago with her daughter, Monica, a pastry chef here at Waltonwood. Outside of work, Maria enjoys video games, classic horror movies, and spending time with her pets, including her dog Luna, four tarantulas, two bearded dragons, and two scorpions! We are so lucky to have Maria's creativity, passion, and warm personality on our team.

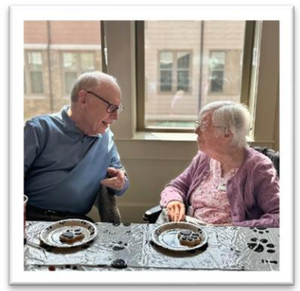

AUGUST HIGHLIGHTS

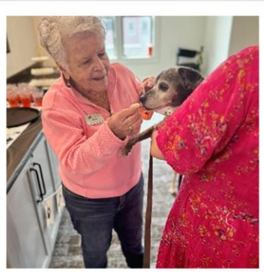

August was full of memorable moments and summer fun! Camp Waltonwood was a huge success, bringing residents and visiting children together for an afternoon of carnival games, delicious food, face painting, and a magic show. Residents joined in on the fun, with many getting their faces painted and enjoying the festivities alongside our young visitors.

We also celebrated National Lemonade Day with a refreshing lemonade social and a lemon-inspired watercolor art project, giving residents a chance to get creative while enjoying a summertime favorite.

Later in the month, National Dog Day brought plenty of smiles during our Yappy Hour! Residents loved visiting with two special canine guests while sipping some Paw-some Punch and enjoying adorable paw-shaped cookies!

FOCUS ON FITNESS: STRENGTH & BALANCE

September in Fall Prevention Awareness Month, and for many seniors fall prevention is one of their greatest concerns as they age. Each year 1 in 4 seniors reports having a fall. In the past decade alone ER visits resulting from falls has increased by 43%. While it may be impossible to prevent all falls, exercises that focus on strength, balance and coordination have been shown to dramatically reduce the risk of falling in seniors. In fact, research indicates that seniors who strength trained twice per week for as little as six months, decreased their fall risk by 40%. When combined with balance training, which on its own lowered fall risk by 30% over the same six weeks, overall fall preventions rates increased even more. Better balance takes time but by taking a proactive approach with strength training you can set yourself up for long term success.

EXECUTIVE DIRECTOR CORNER

September is a month of transition. The days begin to shorten, the air becomes a little cooler, and we slowly trade the long days of summer for the warmth and beauty of fall. It is also a wonderful time to pause and reflect on the people and experiences that have shaped who we are.

This month, we are especially excited to celebrate National Assisted Living Week, September 13–19! We have a fun-filled week planned with delicious food, exciting activities, entertainment, laughter, and plenty of opportunities to celebrate our incredible residents and the people who make Waltonwood Lead Mine such a special place to call home.

We look forward to celebrating the week together and creating wonderful memories along the way!
