UPCOMING EVENT HIGHLIGHTS

November is shaping up to be a month full of adventure, celebration, and meaningful moments! We're kicking things off with an action-packed first week filled with exciting outings and opportunities to explore our local community. We'll be making stops at Three Cedars Cider Mill to enjoy the sights and flavors of the season, as well as visiting the Plymouth Historical Museum. We'll round out the week with a little friendly rivalry as we cheer on our favorite teams at our MSU vs. U of M tailgate! Whether you bleed green and white or maize and blue, it's sure to be a fun afternoon filled with team spirit, laughter, and good company.

As we move into the second week of November, we'll take time to recognize and celebrate our brave residents who have served our country. On November 10th, we are hosting a Veterans Luncheon as well as a celebration on November 11th with a special Veterans Day program, featuring a pinning ceremony and other heartfelt tributes to honor our veterans. It will be a meaningful opportunity to reflect, share stories, and show our gratitude to the heroes among us.

As the month winds down, we'll turn our attention to one of the most cherished holidays of the year: Thanksgiving! Please RSVP by November 13th if you would like to join our Thanksgiving meal on November 21st!

We'll celebrate the season of gratitude with festive activities, special gatherings, and opportunities to enjoy the traditions that make this holiday so special. We have so much to look forward to this November, and we can't wait to enjoy every moment together!

According the Mayo clinic, researchers have found that a third of dementia diagnosis are directly linked to modifiable risk factors. Adopting healthy habits early in life can help to lay the foundation for our cognitive wellness as we age.
